Staff Profile... Jay Davies

Hi there! My name is Jay and I have been working for York Personal Support since August 2016. Before I moved to York, I worked as a Registered Social Worker with children and their families and then accepted a seconded Social Worker role with the Youth Justice Service.

After a significant period of time however, I decided to return to support work, which I believe to be more rewarding and beneficial to the people I want to work with. I love

supporting on a one to one basis and thoroughly enjoy working with a variety of different and interesting individuals on a daily basis.

In my spare time, I spend as much time with my children as possible, as family time is especially important to me. I live in a rural village near Malton and enjoy long walks in my local area with my dog Brew and travel most weekends to the different beaches along the East Coast.

**WE ARE NOW AN ACCREDITED

We look forward to an exciting year ahead with our students.
